

Chapter Committees - Newton South FBLA

Committees are a great way to engage members and grow your chapter. At Newton South, committees set goals in our program of work, and they meet monthly with chapter leadership. Below are the committees we have at South, along with their tasks.

- Financial Committee - Organize and operate fundraisers, pitch companies for sponsorship.
- Community Service Committee - Promote the March of Dimes among club and school members, organize volunteering and fundraising activities.
- Public Relations Committee - Create and distribute posters promoting the club, operate booth at club fairs, write articles for the local newspaper and FBLA publications.
- Business Activities Committee - Organize guest speakers, create presentations and find competitions for the chapter to partake in.
