

Community Service Activities - NSHS FBLA

- Promote the CSAs (Community Service Awards). These give FBLA members recognition for achieving 50, 250 and 500 hours of community service, the the hours are cumulative throughout a student's high school career.
- Make community service a regular occurrence. For example, have chapter members work at a food bank every Friday after school.
- Have a schoolwide or chapter presentation about the March of Dimes, which is FBLA's National Charity Partner.
- Partake in the March of Dimes' March for Babies. You can find locations and dates on the Massachusetts March of Dimes website.
