

Fundraising Advice - Newton South FBLA

- Partake in competitions that offer monetary awards. (e.g. FBLA's free stock market challenge, World Series of Innovation, Ithaca Stock Competition)
- Pitch local companies for sponsorship. Write a letter or personally talk to a local company to set up a meeting where you can promote the benefits of FBLA.
- Team up with a local restaurant or company. Many restaurants (e.g. Chipotle, CPK) offer programs where your chapter gets a percentage of the profits earned by people who eat at their restaurant on a certain day. Our chapter teamed up with a local supermarket to sell hot dogs, cookies and water (which were donated by the supermarket) outside of their store during lunch time.
- FBLA has a plethora of fundraising partners that your chapter can utilize (<https://www.fbla-pbl.org/web/page/594/sectionid/587/pagelevel/2/fbla.asp>)
